Laredo, Texas (Webb County) – Sheriff Cuellar presented a check for \$5,000 to the Boy Scouts of America Aztec District.

On Tuesday, January 26, 2010, The Webb County Sheriff's Office presented a large check to the Aztec District of The Boys Scouts of America. Boy Scouts of America being one of the largest youth organizations in the United States has a huge presence here in Laredo, with their ultimate goal being to train our youth in responsible citizenship, character development, and self-reliance through participation in a wide range of outdoor activities, educational programs, and, at older age levels, career-oriented programs in partnership with community organizations.

"As a father of 2, I understand and appreciate the importance of organizations like the Boy Scouts of America and the role they play in the lives of young people. I am pleased and honored to present this check to the Aztec District of the Boys Scouts. The Sheriff's Office is committed to fostering the growth and development of our young people." Sheriff Martin Cuellar stated.
